1. (Unclassified - DFM) LIAISON Received a call from Loch Johnson, House Permanent Select Committee on Intelligence staff, who said he would have to cancel his review of articles from Studies In Intelligence scheduled for today. He will come out one day next week instead. We also discussed his requirements in connection with the Director's appearance before the Subcommittee on Oversight, on CIA's use of journalists. We agreed to meet on this subject as well next week.

2. (Unclassified - DFM) LIAISON Called Dick Giza, House Permanent Select Committee on Intelligence staff, to inform him that I had set up an interview with Dick Lehman, NFAC, for him on 17 January at 2:00 p.m. to discuss NFAC evaluations of its finished intelligence products.

3. (Unclassified - DFM) LIAISON Informed Tom Latimer, Staff Director, House Permanent Select Committee on Intelligence, that we would like to have DDCI-designee Frank Carlucci meet with Chairman Edward P. Boland (D., Mass.) and Ranking Minority Member Bob Wilson (R., Calif.) and hoped this could be arranged for next week. Latimer said Wilson was out of town but he would try to set this up with Boland.

4. (Unclassified - DFM) LIAISON Received a call from Jean Evans, Senate Select Committee on Intelligence staff, who I had previously asked to check with the Senate Governmental Affairs Committee to test their reaction to our not complying with a GAO survey of Executive Branch auditing programs. Evans said he would not be able to contact the person he wanted to on the Committee, as he was out of town, but instead he had talked to Bill Miller, Staff Director, Senate Select Committee on Intelligence. Miller has suggested that this problem be handled by sending the paper to the Select Committee if there are security considerations and requesting them to handle it under S. Res. 400. Alternatively, we should meet with the Staff Director of the Subcommittee on Reports, Accounting and Management, which requested GAO to do the survey, and explain our problem to him. Evans informed me the Staff Director of the Subcommittee was Vic Reinemer.

6. [REDACTED] CONSTITUENT Michelle Farrar, in the office of Representative Paul N. McCloskey (R., Calif.), called. A constituent wrote a letter asking whether his name was included on the list of "26,000 Americans who were to be incarcerated without benefit of a trial in the event of a national emergency." The list was allegedly drawn up by intelligence agencies. I told her that, while I was quite certain that no such list was ever contributed to by the CIA, I would check and call her back. After consulting with [REDACTED] I called Ms. Farrar back and assured her that CIA has no knowledge of such a list. She said that she would answer the constituent.

7. [REDACTED] BRIEFING Attended the briefing of Peter Kyros and Suzanne Oetting, House Merchant Marine and Fisheries Subcommittee on Merchant Marine, by [REDACTED] NFAC/OER. The briefing took place in Room 1332 Longworth House Office Building and was unclassified. The briefing went smoothly and the only outstanding request is for some unclassified statistics that OER is working up with regard to Soviet merchant marine capabilities.

9. [REDACTED] BRIEFING Pauline Baker, Senate Foreign Relations Committee staff, called to tell us about an executive session hearing that the Committee intends to hold on 10 February at 10:00 a.m. The subject will be foreign military presence in Africa - not limited to Cuban. She indicated that [REDACTED] NFAC/ORPA, would be an acceptable level for the sort of authoritative and detailed briefing that they have in mind. I called [REDACTED] NFAC/CSS, who put this on their agenda and agreed that [REDACTED] would be the indicated man, supported by a Cuba analyst and himself. I will confirm these arrangements with Ms. Baker once the appropriate approvals have been secured.
